NOTE TO: All NIOs and PP

SUBJECT: Post-Audit of Finished Intelligence

25X1 Attached is an extract from the DDI Financial Guidance in which Mr. Colby asked for a review of intelligence production. Mr. Walsh's memorandum implementing the DCI's request which I mentioned at the NIO meeting is also attached. I have asked [] to represent the NIOs in this endeavor, and per paragraph 4 of Mr. Walsh's memo, he will be calling upon you for assistance as the review progresses. As we all know, Mr. Colby is particularly interested in ensuring that intelligence is responsive to the consumer's needs in a timely manner and this aspect of the review will be of considerable importance.
